

# Two-Day Psychodrama Group with Walter Logeman

Friday 6 - Saturday 7 September 2024

Love. Living life to the full. Finding meaning. Global and spiritual matters. Conflict, grief and illness. Examine and be challenged by matters of importance to you in this workshop. You can expect to gain a deeper awareness of yourself and others. Learn to be spontaneous, courageous and effective in relationships. We will use psychodrama to explore themes relevant to you and the group. No previous group experience is necessary.
